General Media Release for Newspaper Photographs, Videotaping, Posting on the Internet, Interview Comments and Television

TO: Parents/Guardians

FROM: Humane Society of San Bernardino Valley

Occasionally, the Humane Society of San Bernardino Valley and organizations/associations connected with the Humane Society would like to use the name, photograph(s), video recording, and/or interview comments of students for educational and promotional purposes, including Humane Society generated news articles and brochures. Such images and comments are used for news purposes only and not for commercial use.

As part of the Humane Society’s community informational program, the Humane Society may wish to place children’s pictures and/or name, and their comments on the Internet or the Humane Society’s web page.

All photography, video recording, student comments, and posting on the internet are done by legitimate news media personnel or Humane Society personnel.

Children may also bring a camera or cell phone for taking pictures of the animals. The camera or cellphone is to remain in the student’s Humane Society furnished backpack/bag until given permission by the presenter and camp counselor to take a picture of the animal; students may NOT photograph other students.
